The Winning Play!

Your participation in the TerraPass offset program tackles the harmful climate impact that air travel has on the planet. Learn more about how you can take responsibility for your climate impact from your travels all year long at [www.terrapass.com](http://www.terrapass.com) or email us at [aviation@terrapass.com](mailto:aviation@terrapass.com).

\*The climate impact reduction of one flight hour is equivalent to 2.8 mT of CO<sub>2</sub>e and 1,400 gallons of water.
